

If I Were  
a  
Blue Bird

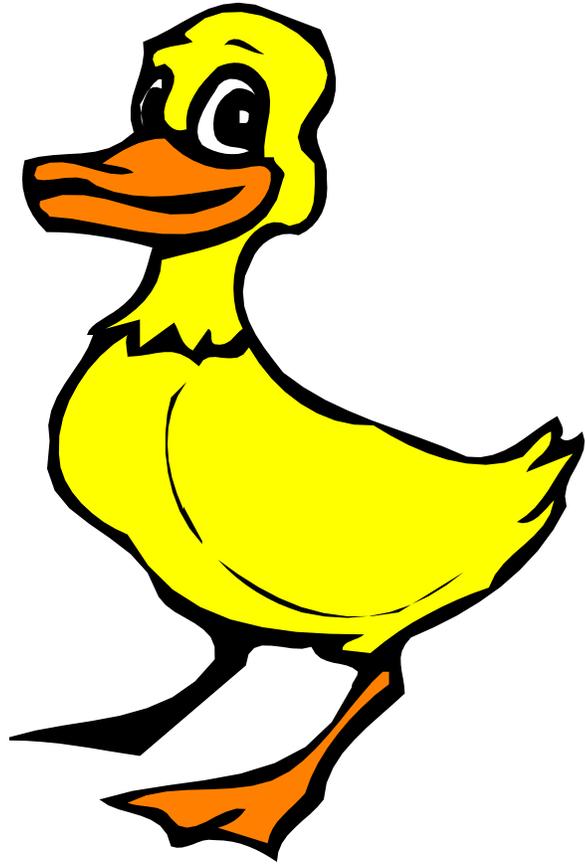

If I were a blue bird high in a tree  
When I looked down,  
what would I see?

I'd see a red cow  
looking up at me.

When I looked down,  
what would I see?

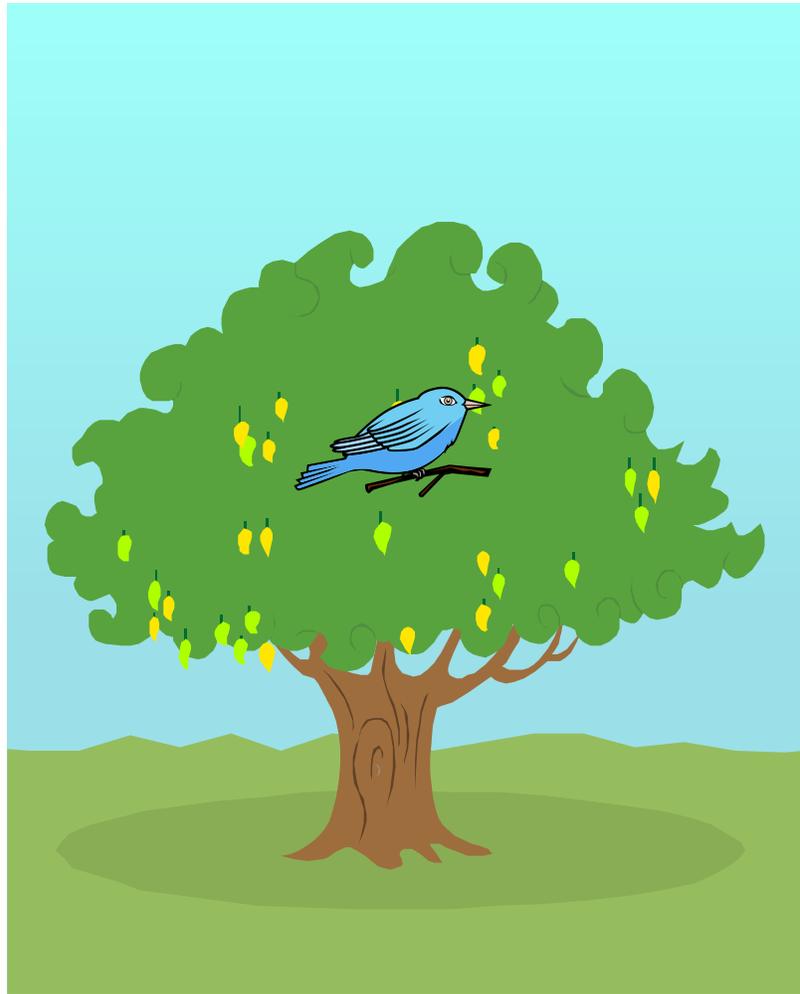

I'd see a yellow  
duck looking up at  
me.

If I were a blue bird high in a tree  
When I looked down,  
what would I see?

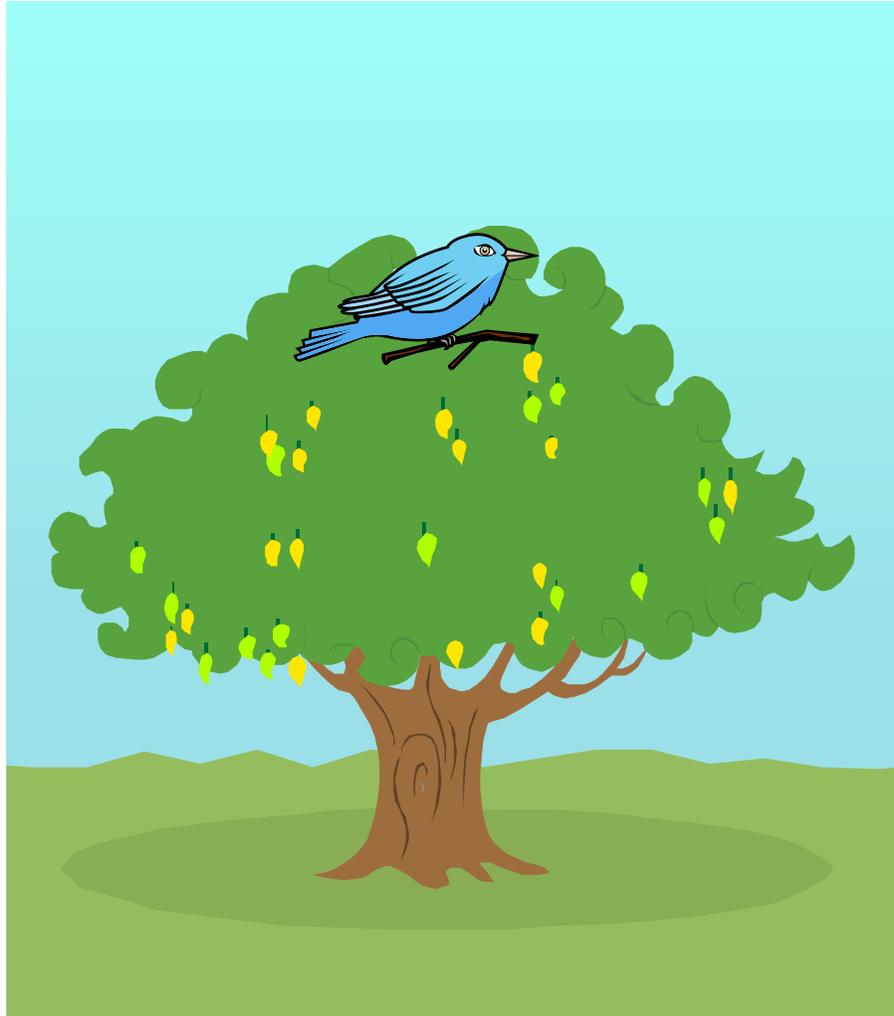

I'd see a black cat  
looking up at me.

If I were a blue bird high in a tree  
When I looked down,  
what would I see?

I'd see a brown dog  
looking up at me.

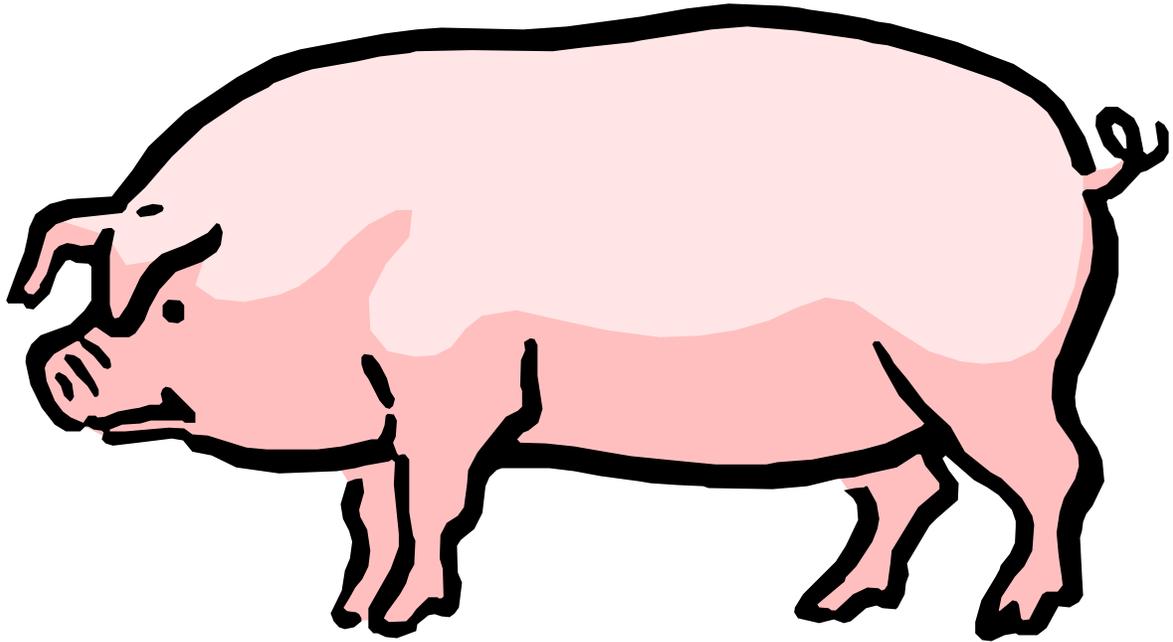

If I were a blue bird high in a tree  
When I looked down,  
what would I see?

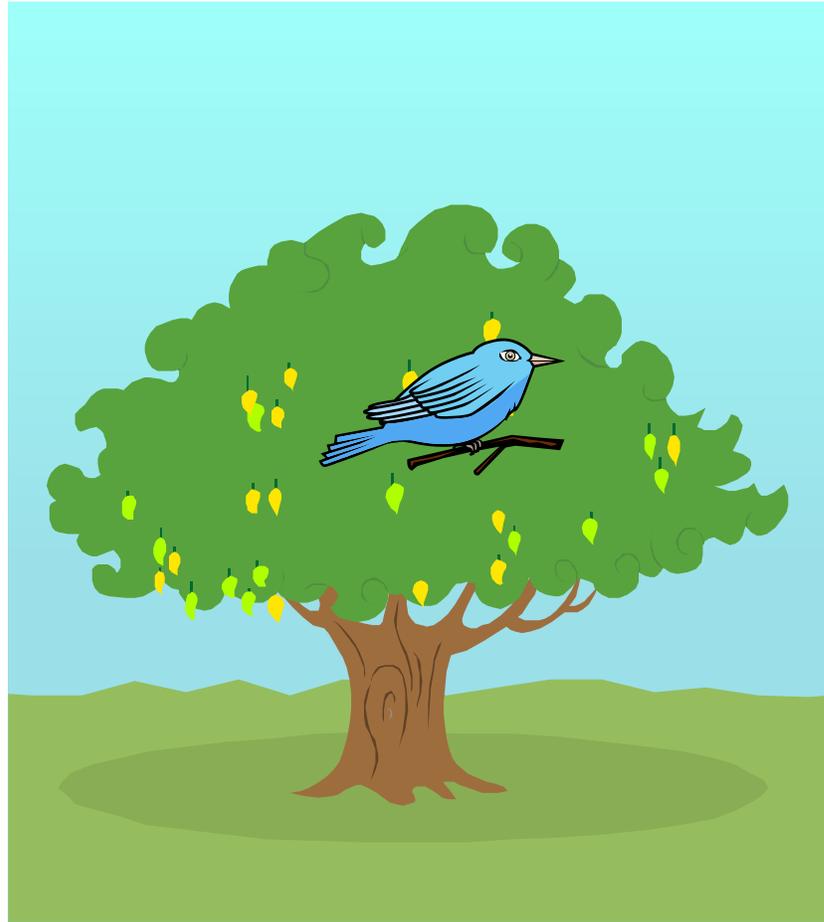

I'd see a green frog  
looking up at me.

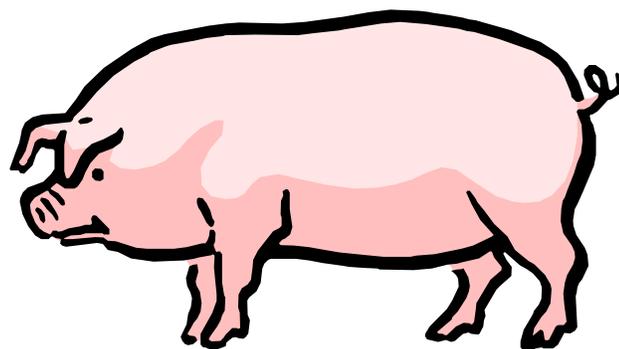

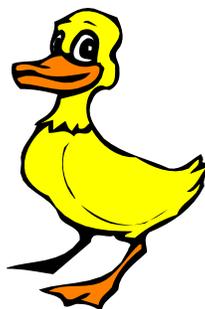

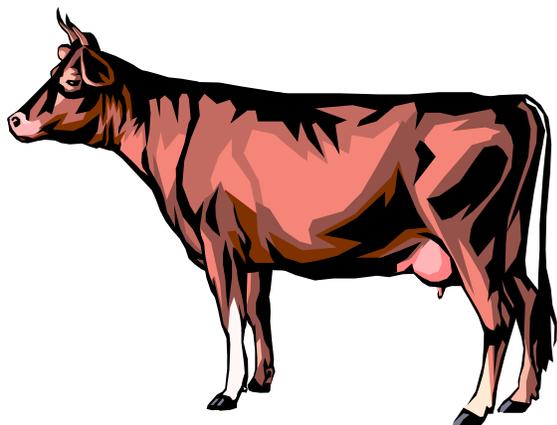

If I were a blue bird high in a tree  
When I looked down,  
what would I see?

I'd see a pink pig  
looking up at me.

If I were a blue bird high in a tree  
When I looked down,  
what would I see?

I'd see all of the  
animals looking up  
at me.
