

The Three Little Pigs
by Paul Galdone

1. Run copies on cardstock (index paper or tagboard).
2. Color pieces with markers, color pencils (may not be as bright), pastels, or paint, (crayons may melt when laminated).
3. When putting two large pieces together, use a glue stick to prevent pieces from wrinkling when laminating.
4. Laminate story objects. You may cut pieces before or after laminating.
5. Attach Velcro dots or pieces to back of each object.

Tip: Make an outline story card to use when telling the story.

Remember patterns are not to be used for children's art projects!

Patterns may be use for teacher made puppets which children can use for story retelling. Patterns may be enlarged if preferred.

Suggested Activities:

1. Add a construction prop box to Dramatic Play. Include props such as: plastic tools, toolbox, carpenter's apron, hard hats, and blueprints.
2. Provide building materials, such as bricks, wood, roof shingles, and tiles for children to examine. Let children describe how they look and feel.
3. Provide materials for the children to draw or paint the places they live and dictate a story about where they live.
4. Make a painting on a large piece of paper by "blowing" a small amount (1/2 t.) very thin paint with a straw. Allow children to repeat this process as desired.
